This webinar provides an overview of the application process and submission requirements for Community Development Block Grant (CDBG) grantees to apply for the [Section 108 Loan Guarantee Program](#) and [Section 108 Loan Guarantee Legacy Challenge](#). It also provides guidance on assessing readiness to apply and offers tips to facilitate approval of applications.

The Section 108 loan guarantee allows grantees to borrow up to five times their CDBG allocation in flexible, federally backed financing for housing, economic development, and infrastructure projects.
