

Hazard Mitigation Assistance Webinars

Hazard Mitigation Assistance (HMA) webinars bring FEMA subject-matter experts and partners together to provide technical information, best practices, tools, and resources regarding the Building Resilient Infrastructure and Communities, Flood Mitigation Assistance, and Hazard Mitigation Grant Programs.

The webinars are designed for leaders in states, local communities, tribes, and territories, as well as private sector entities, non-profit organizations, and individuals interested in learning more about the HMA grant programs and strategies for how to apply for them.
