

The Federal Motor Carrier Safety Administration (FMCSA) will be hosting a funding conference webinar for the following Notice of Funding Opportunities (NOFO) posted on Grants.gov:

**FY 2025 High Priority Program – Commercial Motor Vehicle (HP-CMV)**

**Funding Opportunity Number: FM-MHP-25-001**

**CFDA: 20.237**

**FY 2025 High Priority Program - Innovative Technology Deployment (HP-ITD)**

**Funding Opportunity Number: FM-MHP-25-003**

**CFDA: 20.237**

Register today for the funding conference webinar on Wednesday, January 22, 2025 – 1:00 - 2:00 PM EST. [Click here](#) to register in ZOOM. After registering, you will receive a confirmation email.

Please note that it is **CRITICAL** that participants **FULLY READ** the **NOFO** **BEFORE** the webinar in order to be familiar with the new and updated information.

If you have not viewed the FMCSA Discretionary Grant Program Technical Assistance webinars, please view at: <https://www.fmcsa.dot.gov/grantswebinars> to assist with preparing to apply for this opportunity.

We look forward to your attendance.

## **Discretionary Grant Program Technical Assistance Webinar Series**

The Federal Motor Carrier Safety Administration (FMCSA) will host grants-related webinars to provide potential applicants with the steps necessary to apply, and the knowledge to select the appropriate FMCSA grant program to support your project's goal.

### **High Priority Program Overview**

This webinar provides an overview of High Priority (HP) Grant Program goals and objectives, eligibility requirements, application review process, and resources available for submitting a successful application.

**Wednesday, December 18, 1 p.m. ET**

## **Federal Motor Carrier Safety Administration (FMCSA) Discretionary Grant Program Technical Assistance Webinar Series: High Priority Discretionary Grant Program Overview**

### **Date & Time:**

Dec 18, 2024 10:00 AM in Pacific Time (US and Canada)

### **Description:**

The High Priority (HP) discretionary grant program provides two distinct funding opportunities. The High Priority Commercial Motor Vehicle Safety (HP-CMV) Program provides funding for a wide array of CMV safety-related activities, such as projects that increase public awareness and enforcement efforts focused on unsafe driving in high-risk crash corridors. The High Priority Innovative Technology Deployment (HP-ITD) Program provides financial assistance to advance technological capabilities and promote the deployment of intelligent transportation system applications for CMV operations.
