On December 15, 2023, the Centers for Medicare & Medicaid Services (CMS) announced the new Transforming Maternal Health (TMaH) Model. CMS released a [Notice of Funding Opportunity \(NOFO\)](#) for state Medicaid agencies on June 26, 2024. Applications were due on September 20, 2024.

In January 2025, CMS announced that the following states have been selected to participate in the TMaH Model:

- Alabama
- Arkansas
- California
- District of Columbia
- Illinois
- Kansas
- Louisiana
- Maine
- Minnesota
- Mississippi
- New Jersey
- Oklahoma
- South Carolina
- West Virginia
- Wisconsin

The model launched on January 1, 2025, and will run for 10 years.
